

Admissions

THE LODGE is a home which caters for the needs of physically and mentally frail older people. We provide 24hr care to people over the age of sixty-five.

THE LODGE cares for people with varying needs:

- Able, but frail
- Wheelchair users

Prior to admission a representative from THE LODGE will visit you or preferably, we will invite you to come and have a look around the home yourselves to see the services we offer. During the meeting with you we will ask you questions about your care needs to establish whether we will be able to meet them. Although we care for people with varying needs, unfortunately, we may have to refuse your admission if your dependency levels are too high.

We respect the differing needs that people have with regard to race, culture, religion and sexuality. Although we may not be able to meet the requirements of all cultures and religions, we are willing to meet with you and discuss ways in which we may be able to accommodate your specific needs and will try our very best to meet these.
